# ACES DIGITALE

Adding Value to your Research

## About us

### Precision Data. Global Scale. Total Integrity.

Founded in **2016**, we are a **premier global data collection partner** specializing in **high-fidelity online sampling**. By leveraging our proprietary panels across **25+ countries**, we bridge the gap between market **research firms** and the **critical insights** required to drive **global strategy**.

### Quality Measures & Verification Process

- IP & Geo Lock
- Bot Detection
- Browser Validation
- Proxy & VPN Screening
- Duplicate IP Detection
- Unknown OS Identification
- IP / Country Mismatch Checks

## Why Leading Firms Partner With Us

### Deep Global Reach

Access richly profiled, diverse audiences across international markets.

### Uncompromising Quality

Rigorous industry-standard protocols powered by advanced AI fraud detection to ensure authentic respondents.

### Targeted Recruitment

From niche B2B decision-makers to broad consumer segments, our comprehensive database delivers the exact profiles your research demands.

### 24/7 Expert Support

Dedicated project managers working across time zones to keep studies on track and within budget.
